## VISION

CREATE is an Arts School that has grown out of the heart of Majestic Church and the mandate that we have, to "SHOW LOVE, GIVE HOPE, and INSPIRE FAITH". CREATE aspires to develop the next generation of performers and maximize individual artistic expressions.

## ELECTIVES

CREATE Training School offers tuition for students (aged 6 and above) in Art, Ballet, Creative Dance, Drama, Hip-hop and Singing at beginner and intermediate levels. This year we are also launching Tap Dance classes. Each elective has a planned curriculum from which each student is assessed at least once a year.

## TUTORS

The CREATE Training School enlists a team of high calibre tutors in each art form. We seek tutors who are experienced artists in their field of expertise and also exhibit proven

strength of character and integrity.

## ARTIST DEVELOPMENT

CREATE values the character development of the individual artist just as much as the achievement of technical expertise. Students receive spiritual input on a weekly basis through our PURE sessions – a 20-minute time between classes where all students come together to receive encouragement in their disciplines, teaching and group activities, and inspiration in pursuit of their God-given creative abilities.

## PERFORMANCES

At the Training School level, our primary focus is on technical and creative development as an artist. However, to ensure that every student is given the opportunity to perform on stage we host an annual showcase or production. This involves every student performing in front of a live audience. Students also have the opportunity to

audition into other productions or events as they occur.

## ACADEMY CREWS

CREATE also caters for more advanced students. This year we are initiating ACADEMY Crews, auditioned groups of talented 13 – 18 year olds. What we are looking for are students who will commit to train to a high standard of excellence, have a greater amount of disciplined tuition, and numerous performance opportunities throughout the year. They will remain connected with the Training School community. This is something we hope to expand throughout 2012.

## ENROLMENT

All Training School students attend classes in two electives on Thursday afternoons that run to an average nine-week term. Class choices are dependent on consultation between the student, parent(s) and CREATE staff. Availability of electives is subject to change

dependent on roll size and tutor availability.

## CREATE TERM DATES 2012

Term 1 – 9 Feb – 29 March  
Term 2 – 26 April – 21 June  
Term 3 – 19 July – 20 Sept  
Term 4 – 18 Oct – Dec 13

Fees are charged on a term basis. Prices for 2012 are as follows: 1 student \$120 (incl. GST). Any additional students \$100 (incl. GST) To enroll, complete the web form on the CREATE page at [www.majestic.org.nz](http://www.majestic.org.nz)

For additional enrolment information, email [create@majestic.org.nz](mailto:create@majestic.org.nz) or call the Majestic office on 379 2781.
